Who We Are

Denham Springs Main Street is a team of volunteers committed to sustaining, preserving and promoting the Denham Springs Main Street & Historic and Antique & Arts Districts.

What We Do

We are focused on increasing awareness, promoting events, encouraging economic growth and improving the aesthetics of the district. Some recent projects include:

- Exhibits at Old City Hall
 - Partnerships with the Antique District Merchant's Association
 - Walking tour of the historic buildings
 - Fundraisers that promote shopping in the district
 - Assisting in new park creations
 - Replacing and updating street signs
 - The Smithsonian Water Ways Exhibit
- ...and so much more.

Denham Springs Main Street has a passion for our great city, and we strive to share our stories and the stories of our residents with everyone who visits Denham Springs!

Support Denham Springs Main Street

Denham Springs Main Street cannot accomplish our goals alone! We have many partners that work together on projects and events. We also depend on funding from sponsors and partners like you to help make these projects and events successful. Please consider supporting the promotion and preservation of our historic downtown area and establishment of our permanent museum exhibits by becoming a sponsor or attending our Main Street Event!

Please refer to the included sponsorship forms for more details on our exciting event! The Denham Springs Main Street Board thanks you for your continued support, and looks forward to partnering with you now and in the future!
